

Welcome

Welcome to language students and teachers across the country!

We are currently preparing for our #Linguastars event, the online version of our annual Year 12 [Languages Residential](#) that provides young people with the opportunity to experience life as a languages student. We have already confirmed the delegates for our online event this year, but we thought you might like to see the delegate's newsletter packed with plenty of useful information and links!

Blog Competition

Our delegates are taking part in a blog competition, reflecting on life in lockdown and how they've kept up with language learning throughout this time. The winning blog will feature in our post-event newsletter, be hosted on our website, promoted on social media and sent to teachers nationwide. We're hoping to inspire others who are struggling with lockdown and language learning in a more isolated world!

Why not write your own blog or run a competition with your class? If you post to social media, don't forget to tag [@UoLArtsOutreach](#)!

Recorded talk - Making the Most of Lockdown

This 10 minute presentation is a really great resource packed with advice, tips and tricks on making the most of remote learning, so that you feel confident when you return back to your studies!

The Global Café

Being part of our global community of students offers fantastic opportunities to develop language skills by interacting with native speakers of many different languages on campus.

One opportunity for University of Leeds students is **The Global Café**. A weekly gathering of both UK and International students, it's a great place to relax, enjoy conversations and meet friends from all over the world.
