

Welcome

Our #Linguastars Online Residential has now come to an end (though you can access our recorded workshops [here](#)). Our third and final newsletter will point you in the right direction on ways that you can continue your language learning journey, as well as signpost to resources that will help you feel confident making your Higher Education decisions!

Our blog competition winner is...

We had some remarkable entries for the #Linguastars Blog Competition, and we'd like to thank all of our entrants for their submissions! However, we could only choose one for the prize...

We're pleased to announce that **Yii-Ling** from **Newstead Wood School** was our winner! Her eloquent blog goes into detail about her experience of online learning, the benefits of #Linguastars and tells us all about the ways she's keeping up with her language learning during this unique time! Read it [here](#).

After you've worked through the #Linguastars Workshops...

Intercultural Studies – Online Courses on FutureLearn

When you study a language course at university, you learn more than just the language. Explore cultural studies with these online courses from FutureLearn.

You can find the courses [here](#).

Find about more about Arabic and Middle Eastern Studies

This video goes into some detail about the Arabic and Middle Eastern Studies course, as we hear from current students about their experiences.

Watch the video [here](#).

Explore our additional online resources

On our website, we have a whole host of resources for students interested in Arts and Humanities subjects, as well as lots of info dedicated to making sure you're aware of what life as a university student is really like.

Check it out [here](#).

Support with your application

UCAS

Pre-Application Toolkit

Packed with resources to support you throughout the application process, this UCAS Application Toolkit will help to break the process down, bust myths and has activities that you can work through to help you make the right decisions.

You can find the toolkit [here](#).

Application Support Q&As

The Education Outreach team at the University of Leeds are hosting regular Q&As throughout July and August on a whole host of topics.

With sessions on Choosing a Course and University, Personal Statements, Student Finance and Access to Leeds – they'll answer any questions you have.

[Click here](#) to browse the sessions and register.

Access to Leeds

When applying for university, it's important to know if you're eligible for any alternative admissions schemes.

[Have a read about Access to Leeds](#) and find out if you could apply!

The Official UCAS Advice Page

Answering all of your questions Monday-Friday 08:30-18:00, check out the official [UCAS Facebook page](#).

Getting prepared for what's to come...

Student Finance presentation

An overview of student finance including fees, loans and scholarships. The session also covers tips on how to budget and what costs to expect at university. Remember that this information is subject to change!

View the presentation [here](#).

Academic Skills presentation

Learn about the four big issues that affect how students adapt to studying in a university environment: independence; critical thinking; time management; and digital skills.

View the presentation [here](#).

Explore Discovery Modules...

At the University of Leeds, you can broaden your studies beyond your chosen course with Discovery Modules.

Browse all of the Discover Module options [here](#), and get excited about the variety available!.
